ARROW-MAGNOLIA
International, Inc.

HIGHLIGHTS

- Superior Protectant / Sealant
- Aviation-Grade Performance
- Long Lasting Durability
- Excellent Shine

TYPICAL PROPERTIES

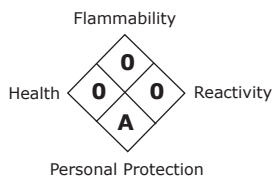

- Vapor Pressure: **N/A**
- Volatility: **100**
- Solubility: **Yes**
- Specific Gravity: **1.0**
- Vapor Density: **8.34**
- pH: **7.5**
- Evaporation Rate:
Slower than ether
- Physical Description:
Opaque white liquid with characteristic odor.

SAFETY CAUTIONS

- Keep out of reach of children.
- Do not use or store near heat, sparks or open flame.
- Refer to MSDS for additional safety information.

HMIS RATINGS

AERO SHIELD

Liquid

DESCRIPTION:

AERO SHIELD is a durable paint protection sealant designed to shield your vehicle's exterior from the harshest elements. Developed for the aviation industry, it is engineered using advanced polymers that provide the ultimate level of protection while leaving a smooth finish with a brilliant shine. Aero Shield bonds to the surface creating a strong shield against water spots, contamination, road grime, and solar rays. It provides durable protection to paintwork, chrome, aluminum, carbon fiber and fiberglass surfaces. It is easy-to-use and lasts up to 12 months for the highest level of durability.

DIRECTIONS:

1. Thoroughly clean vehicle exterior with Fleet Wash.
2. Pour a small amount onto applicator or microfiber pad and apply to entire vehicle in a thin, even coat.
3. Allow 20 min. dwell time and apply a second layer to assure even coverage.
4. Use a microfiber towel to wipe down when done.
