- pH: **8.5**
- Evaporation Rate: **N/E**
- Physical Description: **Slightly cloudy, colorless mist/spray with floral fragrance**

SAFETY CAUTIONS

- Keep out of reach of children.
- Do not puncture or incinerate containers.
- Do not store at temperatures above 130 F.
- Refer to MSDS for additional safety information.

HMIS RATINGS

C-SPOT RUN

Aerosol

DESCRIPTION:

This specially formulated carpet stain remover cleans and degreases stains and spots on carpet. Effectively eliminates stains due to oil, tar, grease, ink, lipstick, marking pens, mud and dirt, mustard and ketchup, urine and other pet stains, coffee, tea, vomit, soft drinks, alcohol, blood and numerous other stains. Inverted valve allows for easy treatment of floor surface without kneeling or for easy access to confined spaces. Concentrated stream allows product to be sprayed directly where needed for easy treatment of stains. Leaves a light pleasant scent to deodorize carpet.

DIRECTIONS:

Shake can well before using. Invert can to spray.

FOR FRESH STAINS: Blot up excess liquid. Spray evenly over stain to be removed. Do not over saturate carpet. Allow time for product to penetrate stain. Blot with clean damp cloth or sponge. Repeat process if necessary. Allow area to dry, then vacuum to restore pile if needed.

FOR OLD AND STUBBORN STAINS: Spray stain thoroughly. Allow at least 60 seconds for product to penetrate stain. Blot firmly with clean damp cloth or sponge. Heavily soiled areas of grease, oil or ink may require several applications. The use of a soft bristled brush used in a circular motion will help release stubborn stains from carpet fibers.

NOTE: All carpets, especially wool, should be tested to insure color fastness. Test on an inconspicuous area of carpet. For light colored and/or low pile carpet test for possible stain bleeding on a small portion of stain before proceeding. Stains created by acids, dyes or similar agents are generally permanent and may not be affected by this product. Stains previously treated with other chemicals may have been set and may not be removed by this product.
