CABIN MASTER

DESCRIPTION:

CABIN MASTER is a unique all purpose interior aircraft cleaner and coating. Tried and trusted for decades in the private aviation market. CABIN MASTER is strong enough to clean the most stubborn grime and dirt, yet is safe enough to use every day. It is formulated for use on virtually any surface, without leaving a gummy residue behind. CABIN MASTER is the one product for all of your interior aircraft cleaning and polishing needs.

DIRECTIONS:

Offers a unique 360 valve which allows spraying in upright or inverted position. Shake well. Spray from a distance of 6 to 8 inches. If surface is dirty, use first spraying for cleaning, then respray. Wipe with a lint-free cloth, then polish and buff. Extra coats will give extra protection.

NOTE: Protect floors from over spraying to prevent slippery conditions.
