## DESCRIPTION:

This waterless detailer in a can is the easy to use solution for virtually any vehicle cleaning, maintenance, or detailing job. Road grime, grease, bugs, dirt and many other types of deposits are easily cleaned. Leaves behind a protective coating that provides a "showroom shine" appearance while protecting the surface from sun damage and future dirt accumulation. Formulated without any ozone depletes or chlorinated solvents, the clear, colorless, odorless product will not streak or spot and is long-lasting in use.

## DIRECTIONS:

Always use in a well ventilated area. Shake can well before applying. Spray 6 to 8 inches from surface to be cleaned and shined. Gently polish with a clean and dry non-abrasive cloth or towel.
