

Since 1927, Arrow-Magnolia has helped people solve their cleaning and maintenance problems with the finest products available today.

HIGHLIGHTS

- Clean, Teflon Lubricating Spray
- Fast
- High Temperature Applications (Up to 600 F)
- Will Not Stain or Corrode
- 16 Ounce Can

TYPICAL PROPERTIES

- Vapor Pressure: **N/A**
- Volatility: **N/A**
- Solubility: **Insoluble**
- Specific Gravity: **0.70**
- Vapor Density: **N/A**
- pH: **N/A**
- Evaporation Rate: **N/A**
- Physical Description:
Clear to cloudy, colorless spray/mist w/solvent odor

SAFETY CAUTIONS

- Keep out of reach of children.
- Do not puncture or incinerate containers.
- Exposure to temperatures above 120 F may cause bursting.
- Do not use or store near heat, sparks or open flame.
- Store in a cool, dry place.
- Do not get in eyes, on skin or on clothing.
- Refer to MSDS for additional safety information.

HMIS RATINGS

DRI-LUBE

Aerosol

DESCRIPTION:

DRI-LUBE is a clean, white Teflon spray lubricant, which provides excellent lubricant properties where cleanliness is required. DRI-LUBE will not stain nor will it act corrosively on the surface treated. A must for plastics which require lubricating. Excellent for lubrication of wood, plastic, metal and glass surfaces, singularly or in combinations.

DIRECTIONS:

Hold container upright 6 to 8 inches from surface to be sprayed. Spray area to be lubricated liberally.

DANGER: Extremely Flammable. Avoid breathing vapor. Use only with adequate ventilation. Avoid excessive inhalation of fumes and repeated or prolonged contact with skin. Intentional misuse by deliberately concentrating and inhaling vapors may be harmful or fatal.
