

# liquid concrete removers

Since 1927, Arrow-Magnolia has helped people solve their cleaning and maintenance problems with the finest products available today.

## HIGHLIGHTS

- Truck Cleaner and Brightener
- Economical
- Safe to Use
- Harmless to Most Finishes
- Free of Toxic Fumes
- Fast Working
- No Muriatic Acid

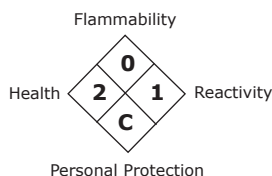

## TYPICAL PROPERTIES

- Vapor Pressure: **40**
- Volatility: **74**
- Solubility: **Yes**
- Specific Gravity: **1.125**
- Vapor Density: **N/A**
- pH: **2.90**
- Evaporation Rate:  
**Same as water**
- Physical Description:  
**Clear non-viscous liquid w/characteristic odor**

## SAFETY CAUTIONS

- Keep out of reach of children.
- Protect from heat, store in original container.
- Refer to MSDS for additional safety information.

## HMIS RATINGS

# DRUM BRITE

## Liquid

### DESCRIPTION:

DRUM BRITE is a safe and effective chemical cleaner especially designed for the concrete, aggregate and cement industries. It is a combination of powerful agents that both removes concrete, film, soils, grime and oil while brightening the surfaces of your equipment.

DRUM BRITE is effective because it dissolves the carbonates which hold together the deposits on metal or painted surfaces. It is recommended for removing excess lime, scale, calcium, corrosion, scum and mineral deposits.

### DIRECTIONS:

DRUM BRITE may be sprayed or brushed on surfaces. Does not use on glass as it will be etched by this product.

Dilutes up to 5:1 with water. After application, rinse off with BULLDOZER diluted with water for best results.
