- Vapor Density: **N/A**
- pH: **1.06**
- Evaporation Rate: **Slower than ether**
- Physical Description: **Opaque blue liquid w/pleasant odor**

SAFETY CAUTIONS

- Keep out of reach of children.
- Refer to MSDS for additional safety information.

HMIS RATINGS

FRESH BOWL

Liquid

DESCRIPTION:

This product removes rust, scale discolorations and other deposits from sinks, wash basins, tile walls & floors, toilets, urinals, shower stalls, bathtubs, stainless steel and many other surfaces. Will not harm septic tanks when used as directed. Cleans and deodorizes your bowl in one easy operation.

- Clings to sides and under rim - allows sudsing action to go to work.
- Penetrates and loosens soils, stains and stubborn deposits.
- Controls unpleasant odors.
- Corrosion inhibitor protects pipes and traps.

DIRECTIONS:

WASH BASINS, SINKS, BATHTUBS, SHOWER STALLS, TILE WALLS AND FLOORS, and DRINKING FOUNTAINS, PORCELAIN AND STAINLESS STEEL: Dilute with three parts of water. Scrub badly stained places with brush or mop. Rinse with fresh water and dry with clean cloth.

TOILET BOWLS: Remove water from the bowl by forcing it over the trap with a swab. Hold the bottle over the bowl and apply two to four ounces to the swab. Clean the entire bowl thoroughly, especially up under the rim of the water outlets, flush toilet and rinse out mop. Deodorize; pour two to four ounces directly into the water remaining in the clean bowl. Then swab the entire bowl and seat, and cover thoroughly with this solution. After deodorizing, rinse seat and bowl with clean water.

URINALS: Flush, and then apply two to four ounces to swab, scrub away stains and discolorations. Pour one to two ounces in trap; allow to stand a few minutes to remove odors and scale, then flush.
