- Keep out of reach of children.
- Store in a cool, dry place.
- Do not use or store near heat, sparks or open flame.
- Exposure to temperatures above 120 F may cause bursting.
- Refer to MSDS for additional safety information.

HMIS RATINGS

FRESH N' DRY - TAME

Aerosol

DESCRIPTION:

FRESH N' DRY - TAME Air Freshener is formulated with a unique malodor counteractant which eliminates foul odors as it deodorizes the air. Chemically neutralizes many types of odors, such as sulfides (from eggs, garlic and onion), amines (from fish), and pyridines (from tobacco smoke).

This dry formulation may also be used to deodorize curtains, upholstered furniture, rugs, carpet, etc.

DIRECTIONS:

SHAKE WELL. Direct spray upward toward center of room. Do not over spray. Repeat application periodically as needed. To deodorize fabrics, hold can 4 to 6 inches from the surface and spray sparingly.

This product is designed exclusively for industrial and institutional use by trained personnel.
