

liquid water treatments

Since 1927, Arrow-Magnolia has helped people solve their cleaning and maintenance problems with the finest products available today.

GTM-11

LIQUID

DESCRIPTION:

GTM-11 is a D 'Limonene-based all-natural grease trap maintainer solvent. It is designed to help prevent the buildup of greases and oils that accumulate in grease traps, drains, sumps and down pipes. Because it floats on top of the grease trap liquid, GTM-11 will both deodorize and provide a pleasant citrus scent. These residues decrease the effectiveness of the drainage systems and cause offensive odors. It is non-toxic, non-acid and non-caustic. This product works well in restaurants as well as other institutions that serve food. It also works well in bars. GTM-11 eliminates fruit flies, gnats, and other annoying insects. It quickly and efficiently dissolves plastics and other items that clog drains.

DIRECTIONS:

Clean or pump out the grease trap prior to using GTM-11. Pour at least one pint in the trap each week, preferably at the end of the day. Initial shock treatment of 1 gallon per drain and maintenance of 1 pint every 3-7 days

HIGHLIGHTS

- Powered by Citrus Oils- D'limonene
- Non-Toxic, Non-Acid, Non-Caustic & completely biodegradable
- No Petroleum Distillates, yet quickly emulsifies FOGs
- Caps & Cleans & Deodorizes drains/sumps/lift stations, pipes & grease traps
- Eliminates fruit flies by destroying their food source
- Initial shock treatment of 1 gallon per drain and maintenance of 1 pint every 3-7 days

TYPICAL PROPERTIES

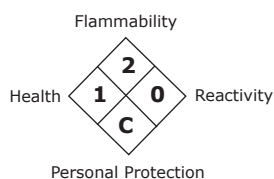

- Vapor Pressure: **6.20**
- Volatility: **100**
Solubility: **Non Soluble**
- Vapor Density: **Heavier than Air**
- pH: **N/A**
- Evaporation Rate: **N/A**
- Physical Description:
Clear or artificially colored liquid w/characteristic odor

SAFETY CAUTIONS

- Keep out of reach of children.
- Use non-sparking utensils when handling this material.
- Avoid hot metal surface
- Use under atmospheric conditions in well-ventilated areas.
- Keep away from excessive heat and open flames.
- Refer to MSDS for additional safety information.
