HMIS RATINGS

LOCK FREE ANTI-SEIZE (BRUSH TOP)

Misc.

DESCRIPTION:

This premium product provides excellent protection over a long period of time for threaded fittings, gaskets, pumps, exhaust systems, furnaces, engine head bolts, manifolds starters & alternators, spring bolts and lug nuts. LOCK FREE has a brush top applicator making for easy use and application. It is highly effective under extreme temperature swings and ranges as well as being waterproof.

DIRECTIONS:

Clean surface thoroughly. Remove brush top applicator and drip off excess material. Apply only enough to form a solid film over contact surfaces. Assemble and wipe off excess.
