

liquid hand soap/cleaners

Since 1927, Arrow-Magnolia has helped people solve their cleaning and maintenance problems with some of the finest products available today.

PINK PEARL

LIQUID

DESCRIPTION:

PINK PEARL is a new formula utilizing a number of new surfactants. It does not contain harsh abrasives or solvents that the old type hand cleaners contained. Lanolin in the formula tends to help condition the skin, leaving a nice soft feeling.

***When used according to label instructions, this product is approved for use in USDA Inspected Meat and Food Processing Facilities.**

DIRECTIONS:

Wet hands prior to application for best performance. Apply a small amount to hands and rub thoroughly. Rub into soiled knuckles and under fingernails until liquefied. Wipe off or rinse with water and dry.

HIGHLIGHTS
