POWER FOAM

AEROSOL

DESCRIPTION:

This non-flammable all-purpose cleaner's clinging foam allows it to remain on vertical surfaces to quickly dissolve dirt, smudges, grease and fingerprints. This unique formulation works without harmful chlorinated solvents or petroleum distillates. Powerful natural citrus degreasers, surfactants and deodorizers are combined to provide quick and effective cleaning on most surfaces. Use both indoors and outdoors on hard surfaces such as doors, walls, plastic, floors, appliances, and more.

DIRECTIONS:

Shake well before using. Always test product in an inconspicuous area before general use. This product is not recommended for use on leather surfaces. Remove cap and spray evenly over surface to be cleaned then wipe dry. For heavily soiled areas, allow to dwell on surface for two to three minutes, then scrub and wipe dry. Repeat if necessary.
