HMIS RATINGS

DESCRIPTION:

Sophisticated release agent SUPER SLICK BIO II is a perfected formulation of a chemical compound that prevents tar and asphalt from adhering to equipment as well as the beds of asphalt trucks. SUPER SLICK BIO II performs as a repellent, without staining or gumming. SUPER SLICK BIO II forms a base coating to make clean up quick and easy.

This product to be used for industrial use only

DIRECTIONS:

Dilute SUPER SLICK BIO II depending on job at hand, with up to 35 parts water. Just spray SUPER SLICK BIO II thoroughly over the entire area, it's simple and easy and practically fool-proof to apply.

For Asphalt Haulers: SUPER SLICK BIO II should be applied after each load.
