

liquid cleaners/degreasers

Since 1927, Arrow Magnolia has helped people solve their cleaning and maintenance problems with the finest products available today.

HIGHLIGHTS

- Super Concentrated
- Fast Acting
- No Streaking
- High Stable Suds
- Safe & Economical

TYPICAL PROPERTIES

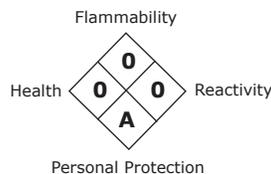

- Vapor Pressure : **31**
- Volatility: **82**
- Solubility: **Yes**
- Specific Gravity: **1.03**
- Vapor Density: **N/A**
- pH: **8.0**
- Evaporation Rate:
Slower than Ether
- Physical Description:
**Opaque, Pink Liquid
w/ Soapy Odor**

SAFETY CAUTIONS

- Keep out of Reach of Children.
- Do not Freeze.
- Refer to MSDS for Additional Safety Information.

HMIS RATINGS

FLEET MAGIC

Liquid

DESCRIPTION:

FLEET MAGIC is a super concentrated balanced auto shampoo formulated from premium grade surface active agents, hardness sequester, foaming agents, stabilizers and waxing agents. FLEET MAGIC is fast acting, literally floats off road and airborne soils and does not leave water streaks. Completely harmless to wax or paint finishes. FLEET MAGIC is designed for use in any type of auto wash, manual as well as automatic.

DIRECTIONS:

For Average Soil Conditions:

Add 1-2 ozs. of FLEET MAGIC per gallon of wash water.

For Extremely Dirty Car Surfaces:

Increase product concentration to 3-6 ozs. of detergent. For manual wash, first hose down car thoroughly with cool water to remove loose soils. Using wash solution, begin at bottom of auto and with short even strokes, work up toward top of car. Wash car completely and rinse thoroughly with cool water.

For Automatic Car Wash:

Charge 2-4 ozs. per gallon into makeup tank of system and operate in usual manner. Detergent dosage may be adjusted to accommodate varying soil conditions. To avoid possible wax or paint damage to cars surface, avoid washing cars in direct sunlight (especially after prolonged exposure to direct sunlight).
