CHAMPION WIPES

MISC. DESCRIPTION:

CHAMPION WIPES are a unique one step cleaning system combining both a high quality graffiti removing formula and a highly absorbent, abrasive, non-scratching towel. The formulation easily penetrates to loosen and breakdown spray paint graffiti, magic marker ink and other graffiti allowing the towels to absorb the residue without redepositing the dissolved contaminants back onto the surface being cleaned.

CHAMPION WIPES works on hard nonporous surfaces such as: Aluminum Siding, Glass, Painted Surfaces, Signage, Stainless Steel, Tabletops, Hallways, Vinyl, Upholstery, Lockers, Elevators, Porta Toilets, Bathroom Partitions, Vehicles, Buses, Subways, Trains and more.

CHAMPION WIPES is ideal for business municipal departments such as: Street and Sign Crews, Recreation and Park Departments, Solid Waste Departments, Utility Crews, Power Crews, Transportation Authority, Porta Toilet Companies, Convenient Stores, Supermarkets, Grocery stores, Gas Stations, School Districts, Colleges, Preschools, Day Cares and more.

DIRECTIONS:

-Remove lid by lifting up, pull one wipe from center of roll and thread through the hole in the lid from underside of the lid. Close lid and pull wipe from container at 90 degree angle, snap hinged lid back into place when finished to ensure towels stay moist.

-Note: Do not use on fabrics, leather or other natural surfaces. May attack certain plastics when using on a pre-painted surface. Initially test in an inconspicuous area to make sure paint is not removed along with graffiti.
